The Tournament of Champions series is comprised of three separate sport tournaments, soccer, flag football, and basketball, and is open to all students in grades 5–8 attending elementary or middle school in the City of Irvine (flag football will also include 3<sup>rd</sup> and 4<sup>th</sup> grade divisions). There will be separate boys and girls divisions for each school. The schools are awarded points after each tournament. At the end of the year, the school with the most points will be presented with the IPSF Tournament of Champions Cup to display at their school. **Please see attached Tournaments' Overview and Tournament Point System for further information.**

**We ask for your help in identifying a Tournament of Champions Coordinator for your school site. The TOC Coordinator can be either a staff person or a volunteer that will:**

- Act as the conduit of contact between Irvine Youth Sports, IPSF and the school sites.
- Be the primary means of generating enthusiasm among the students for the tournaments, in conjunction with school staff.
- Help recruit coaches for these school teams.
- Oversee each team at their school, along with each team's coach, to make sure the team is registered on time, tryouts take place in a fair and timely manner, parents receive and return consent forms, and that their school's t-shirts are picked up and distributed.

Once you have identified your Tournament of Champions' Coordinator for your school site, please go to this link and fill out the requested information (school, name, email and phone.) This is our best way of collecting this information from each school, insuring that all communication regarding the Tournament of Champions gets to the proper people!
